It would be helpful for us if you could also:

1. Label all of your child's belongings; schoolbag, uniform, coat, tracksuit top, lunch box, drink bottle etc.
2. Do not allow children to bring toys to school unless specifically asked for by the class teacher.
3. Please ensure that your child wears shoes that they can open and close, take off and put on without assistance - Velcro/slip on shoes instead of shoelaces.
4. Please ensure that your child can open their lunchbox and water bottle with ease and manage the contents of their lunch box.
5. Children will not need pencil cases or pencils as they will be provided for use in their classrooms.
6. Schoolbags with wheels are not permitted.
7. Help your child to recognise their first name over the summer break as this will be very helpful to them when they start primary school.
8. Please let your child practise using a hand sanitizer daily over the summer to ensure he/she will be able to manage this independently in school.
