Stationery cost: €20 (This will be used for pencils, crayons, copies, pritt sticks, Play-Doh etc. that will be purchased by the teacher)

All of the above payments (Totalling €60) can be made through Aladdin (Primary School admin software) in September. Further information will issue on this, so if you are not familiar with Aladdin, don't worry.

Your child will not need to bring pencils/colours etc. to school. Please do not put any in their school bag as these will be provided by the class teacher for use in school. At home, they may need a pencil and some crayons for their homework activities.

Please ensure that your child has a school bag (no wheels please!) that can easily hold an A4 folder and their lunch. They should be able to open and close this bag as well as their lunch box and drink bottle. **Please label everything clearly with your child's name.**

Also, please help your child to recognise their first name over the summer break, as this will be very helpful to them when they start primary school.

Please do not allow children to bring toys to school unless specifically asked for by the class teacher. Please ensure that your child wears shoes that they can open and close, take off and put on without assistance - Velcro/slip on shoes instead of shoelaces are recommended.

Book Rental: In an effort to keep costs to a minimum for parents, the school purchases English, Irish, Maths and S.E.S.E. textbooks (i.e. those books not written on) and rents them to pupils under our book rental scheme. Digital licences, software and digital resources are also covered with this cost.

Please note that teachers may not complete all books, but may use some/all of them to support their teaching as described in the curriculum.
